

TABLE OF CONTENTS

目 录

Genotype Analysis of <i>OPHN1</i> Gene Mutation in Non-Specific Mental Retardation Family with Literature Review (一例非特异性精神发育迟滞家系 <i>OPHN1</i> 基因突变分析并文献复习)	
H. K. DUAN, L. WANG, S. HU, Z. X. BAI, X. D. KONG.....	1
Research Progress on Nutritional Status of Maintenance Hemodialysis Patients (维持性血液透析患者营养状态的研究进展)	
J. L. LI, N. ZHENG, A. M. GAO.....	8
The Clinical Value of Contrast-Enhanced Ultrasound in the Diagnosis of Focal Liver Lesions in Plateau Area (超声造影对高原地区肝脏局灶性病变的临床诊断价值)	
Z. H. LIU.....	15
Multiple Primary Carcinoma Papillary Thyroid Carcinoma and Lung Adenocarcinoma: A Case Report and Clinical Considerations (双原发性甲状腺乳头状癌肺腺癌 1 例报告及临床思考)	
C. P. LIANG, Y. XU.....	21
Drug Therapy of Acute Myocardial Infarction with Cardiogenic Shock (急性心肌梗死合并心源性休克的药物治疗)	
D. XUE.....	26
Fluorescence-Guided Pathological Nipple Resection in Patients with Pathological Nipple Discharge (荧光导航病理性乳头溢液患者病变导管切除术)	
W. W. PAN, X. P. MA, D. L. WU, T. T. PAN, Q. XU, Y. KONG, P. LIU, R. J. YANG, R. ZHANG.....	31
Review Effect of Shortening Total Myocardial Ischemia Time on Prognosis of Patients with Acute ST-Segment Elevated Myocardial Infarction (缩短心肌总缺血时间对 STEMI 患者预后影响综述)	
Y. P. LI, Y. Y. TANG, T. GUO.....	35
Recent Advances of Biological Nerve and Social Psychology in the Pathogenesis of BMS (精神神经社会心理等因素在 BMS 发病机制中的相关进展)	
S. F. XIE, H. HE, X. T. WANG, X. Y. ZHANG, Y. WANG.....	42
A Case of Portal System Thrombosis Caused by Suspected Hyperhomocysteine and Literature Review (可疑高同型半胱氨酸血症引起的门静脉系统血栓一例并文献复习)	
H. J. DING, J. LIU, A. F. HU, L. Y. GUO, Y. E LIU, J. SHEN.....	51

Nursing Status and Research Progress of Senile Diabetes Mellitus

(老年糖尿病的护理现状及研究进展)

S. H. XIANG, L. M. ZU.....56

New Advances of Researches in Diagnosis and Treatment of Oral Mucosal Leukoplakia

(口腔黏膜白斑病诊断与治疗研究新进展)

X. Y. XIA, H. HE.....61

Study on the Influencing Factors of Mild Cognitive Impairment in the Elderly

(老年轻度认知障碍影响因素研究)

J. W. HOU, Z. H. WANG, Y. C. LIU, Q. W. TAN, Y. L. WEI, L. PENG, Z. Y. DENG, Z. J. GUO.....70

Advances in the Treatment of Bone-Forming Drugs Contribute to Osteoporosis Diseases

(成骨药物对骨质疏松疾病促成骨代谢治疗的研究进展)

F. X. ZHANG, B. Q. YU.....78
